## Think BIG – Filter BETTER

All-in-One Smart Filtration And Heating System

# HYPERMAX

The Hypermax Link is a new-generation filter unit, designed for both experienced and novice aquarists. The AQUAEL AQU@RIUM app will provide an overview of the current operation of the device and enable its remote control. All these features, combined with the best technical performance, will give you the confidence that your aquarium inhabitants will enjoy crystal clear water and ideal temperatures.

## Smart

### Operation

- capacity and temperature management via touch screen or **AQUAEL AQU@RIUM app**
- remote operation or monitoring of the filter via an app
- user-friendly touchscreen interface and intuitive application
- possibility for several people to share access to the application

## Filtration

### Crystal clear water

- largest filtration capacity among the premium filters – **15.9 l (14.4 l + 1.5 l prefilter)**
- water circulation throughout the aquarium, no "dead zones" – **2 x IN, 2 x OUT**

### Powerful and economical

- the most powerful pump on the market – **4500 l/h**
- energy-efficient motor 18-36 W

### Universal

- designed for small and large aquariums from **200 – up to 1500 liters**

## Operation

### Discreet

- quiet motor operation – **24-44 dB**
- automatic venting system

### Convenient to use

- no frequent maintenance thanks to the **prefilter**
- disconnecting hoses without risk of flooding – **patented double ball valves**
- simple filter activation – **patented self priming system**
- freedom of movement – **4 integrated wheels**
- complete set of accessories

## Heating

### Integrated heating

- durable, plastic heaters – **2 ×150 W**
- precise electronic thermostat operating from **20-33°C**

### Safety

- automatic heater shut-off at low water level in the appliance

### Freedom of arrangement

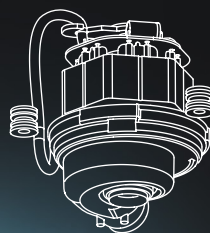

- no heaters in the aquarium

Aquarium capacity	<b>200-1500 l</b>
Pump power	<b>18-36 W</b>
Pump capacity	<b>4500 l/h</b>
Maximum lift	<b>2 m</b>
Quiet filter operation	<b>24-44 dB</b>
Capacity for filter media	<b>15.9 l (14.4 l + 1.5 l)</b>
Number of baskets for filter cartridges	<b>4 pcs × 3.6 l</b>
Filter cartridges included	<b>1 × 20 ppi sponge, 1 × 30 ppi sponge, 1 × 10 ppi prefilter</b>
Heaters	<b>2 × 150 W / 20-33°C</b>
Mounting accessories included	<b>Hoses, overflow pipes, elbows, suction cups, intake baskets, control cones, shower head, silicone grease</b>

Hose length	<b>4 × 1.5 m</b>
Hose diameter	<b>19/25 mm</b>
Simple self-priming system	<b>yes</b>
Patented double ball valve system	<b>yes</b>
Dimensions with valves (H/W/L)	<b>55.5 × 36 × 36 cm</b>
Integrated casters	<b>4 pcs.</b>
Designed for fresh and salt water	<b>yes</b>
Index	<b>124763</b>
Pallet quantity (pcs.)	<b>18</b>
