

SELVA

MINI TERRARIUM

A LIVING FOREST CAPTURED IN GLASS

Selva Mini Terrarium

Terrarium

A small **glass terrarium** with a wooden base and lid featuring high-performance LED lights. Intended for **exotic plants, mosses, or “forest-in-a-jar” compositions**, the SELVA MINI TERRARIUM combines precision craftsmanship with natural beauty.

The minimalist form and high-clarity glass highlight the interior, creating a feeling of immersion in greenery

The lighting parameters are set in a dedicated application (AquaEL BT) for your phone or tablet

Selva Mini Terrarium

Terrarium

LED's in four colors (WRGB)

lighting parameters controlled via the dedicated AquaEl BT app

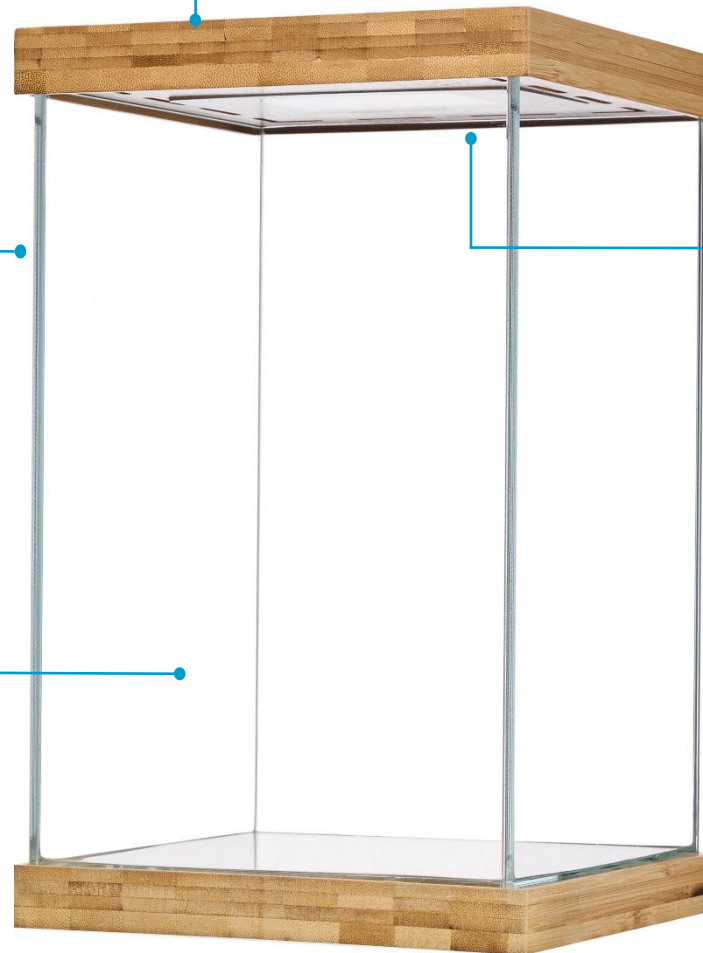

ventilation openings in the lid made of natural bamboo

compact tank dimensions:
7.9 × 7.9 × 11.8 in

ultra-clear 0.16 in opti-type glass

energy-efficient, long-lasting LEDs integrated into the lid

stable base made of natural bamboo

Selva Mini Terrarium

Terrarium

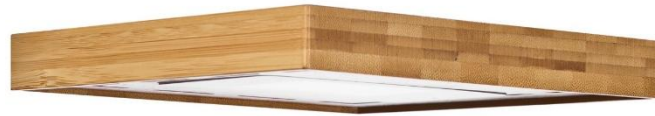

Opti-type glass with no green tint —
exceptional clarity and natural
plant colors

Transparent bonding for a clean,
lightweight visual effect

Base and lid **made of natural bamboo**
— aesthetic details

Thoughtfully designed ventilation —
optimal microclimate

Ideal size for **exotic, tropical, and
terrarium plants**

Aquael BT App

CONTROL VIA
BLUETOOTH APPLICATION

AQUAEL BT

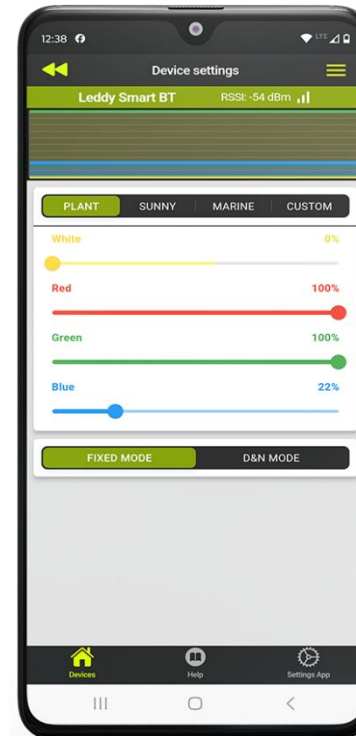

Control one light without one switch? It's possible with the Aquael BT app on your phone or tablet!

Bluetooth technology allows you to connect to any number of lights. Conveniently and comfortably program and change the parameters of the lights as they will be during the day and night.

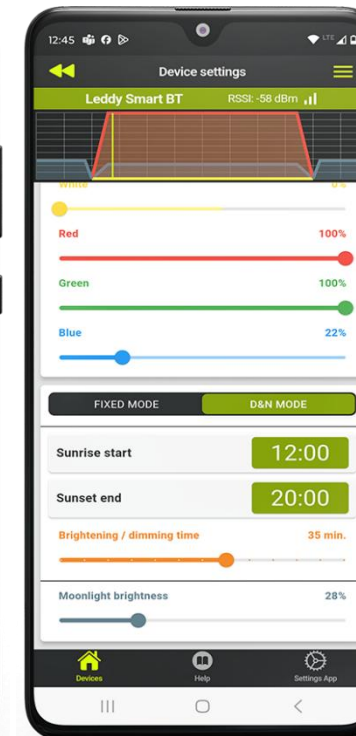

Turn your mobile device into an aquarium lighting management console.

Convenient control of mini terrarium lighting in a mobile app

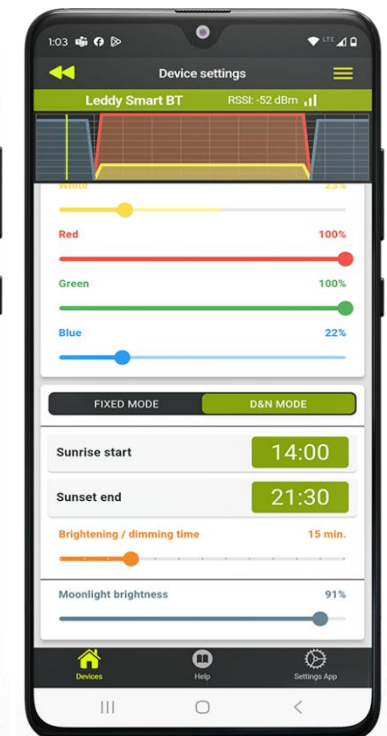

Three fixed lighting modes and a Custom mode

Smart Day&Night mode

Night mode – moonlight

Selva Mini Terrarium

Fixed modes

The lighting in the Selva Mini Terrarium has three preset lighting modes. Universal daylight Sunny, Plant – ideal for good plant growth, and Marine mode for cool light.

SUNNY

strong, uniform Daylight; for universal lighting aquariums

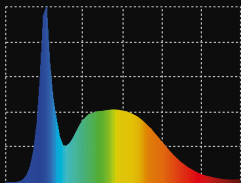

PLANT

light mix ideal for plants; the addition of green light enhances the color of the plants

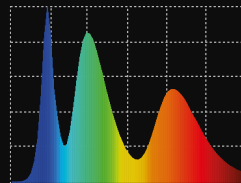

MARINE

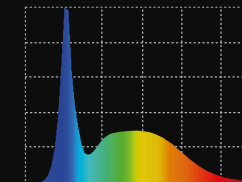

cool, blue light

diodes: ●
color temperature: 7000 K

diodes: ●●●
color temperature: 9000 K

diodes: ●●
color temperature: 10000 K

Selva Mini Terrarium

Additional modes

In addition to the fixed modes, you can choose custom settings. Custom mode lets you set the color mix yourself. The Moon option allows you to adjust the moonlight and enjoy the soft lighting even at night.

CUSTOM

customize color and performance to suit your own needs

diods:

MOON

you can adjust the moonlight power; such a mode allows the observation after dark

AQUAEL

Aquael BT Application

All functions in one mobile app

We strive to keep up with the latest technological solutions. That is why we propose to make the maintenance of your aquarium easier with **Aquael BT App**.

Remote control of your aquarium lighting, heating and filtration!

Communicate with your aquarium equipment via your smartphone or tablet using Bluetooth technology.

The app can also control multiple lamps and filters at the same time, as well as share access between other people.

Aquael BT App

Settings personalisation

Use the Aquael BT App to tailor the operation of the units to the individual needs of your aquarium!

Set filter flows and modes, lighting intensity or heating temperature – all in a user-friendly way with simple gestures on the screen. Follow the natural diurnal rhythm using your smartphone or tablet.

It's all about Custom mode!

Gain precise control over the processes taking place in your aquarium. Take advantage of the technological innovations to make your aquarium an oasis of perfect balance.

Aplikacja Aquael BT

Selva Mini Terrarium

The new face of light

Easy and intuitive adjustment of light intensity, colour temperature and lighting time

Fixed modes:
SUNNY, PLANT, MARINE
