

Ceramic Ornaments

for the aquarium

AQUA DECORIS®

Why choose Aquael decorations?

Safe for fish and plants – made of materials that are neutral for the aquatic environment.

Functional hideouts – provide shelter for fish and shrimps.

Stable construction – the solid base of the decorations prevents them from falling over.

Impressive, expressive and colourful appearance – perfect for classic and thematic arrangements, they give the tank a unique character.

Ready to use – no additional preparation required, just rinse and place in the tank.

AQUAEL
